Study Notes

Accepting Responsibility

Edwin Louis Cole

Genesis 3:1-10

Nature of Sin:

- Unbelief is the basis of sin.
- Pride is the strength of sin.
- Deceitfulness is the character of sin.

Characteristics of Satan:

- Deceiver
- Tempter
- Accuser

Eve was deceived; Adam chose to sin.

Rebellion is refusing to submit to the commandment of God.

What society cannot control, it legalizes and decriminalizes. What the church cannot control, it psychologizes and rationalizes.

Results of Sin:

- Guilt
- Fear
- Hiding

The love of God has no guilt!

Recognition of Responsibility:

1. No decision we make ever affects only ourselves.
2. Self-righteousness begins with self-justification.
3. The responsibility for success is predicated on the responsibility for failure.
4. Only accept blame to the extent that you are responsible.
