

Pray for Your Pastor

Edwin Louis Cole

God's Commandments:

- God gives commandments, not invitations
- Commandments come from the recognition of authority
- Repentance is a command, not an option
- Repentance precedes faith

Reasons to pray for your pastor:

1. To protect him from deception
Every minister is a target for deception
Prayer provides protective custody for your pastor
2. For God to give him fresh revelation
"Logos" word is instructional. "Rhema" word is life-changing. Rehearse your testimony
3. To bring the church into agreement with the pastor
The pastor is the visionary. The church provides the prayer support.

Joshua 9:3-15

- Scorched earth policy required for spiritual victory
- Golden calves – big, gross sins
- High places – small, personal pleasures
- Works of the flesh come from the flesh, not the devil
- Results of lust – temptation, sin, death
- Prayerlessness is a form of hiding
