Trustworthy

Edwin Louis Cole

John 20:22-23

Jesus' ministry is to release us *from* what sin has bound us *to*.

You cannot solve a problem by running from it. You can only solve a problem by meeting it head on.

It's easier to meet needs than to resolve issues. Issues create tension and stress. Needs can be dealt with.

Forgiveness is the qualifications to be heard. Love is the qualification to speak.

Women tend to relate. Men tend to report.

Children are born naturally to trust their parents. When that trust is broken, they are taught not to relate.

I Timothy 1:11

I Thessalonians 2:4

How we operate our trust shows whether we are trustworthy or not.
The only people who are given more trust are those who are proven trustworthy.
